

Foundation & Public Service Announcement 8-3-23

CHAPTER 1

INTERNATIONAL FOUNDATION OF ARTHO ECONOMICS

Forget the noise, disregard hidden agendas, don't even bother listening to yet another politician's Dog & Pony Show. You're either cash flowing or you're not;

Positive cash flow opportunities for everyone to work toward. As sustainable long term investments.

v.

Negative cash flow by corruption & discrimination against others. As unsustainable short term ill gotten gains.

Subsidize to encourage infrastructure & education as a hand up.

v.

Tax/Fine to discourage corruption & hand outs.

Peacetime's accountability of corruption's *like-kind* retribution as *payment-in-kind*.

v.

War's inhumanity inflicted by politician's *prior* Negative cash flow choices.

Simply put, your time invested in Positive cash flow opportunities as sustainable long term investments. Is time & resources well invested, to positively stimulate the future of mankind's economic prosperity, global trading, & world peace;

- It's a great time to be alive, while passing the torch to the next generations. Who are taller, stronger, faster, & smarter.
- The self-serving organized political parties, organized religions, &/or organized cartels. Are in FACT, now questioned & researched though the world wide web's information. With the *usual* attempts to separate *facts from fiction*, as *usual*.
- The younger generations will research, think for themselves, &/or refuse to accept guilt trips. Just to appease the Absolute Powerful's propaganda & War's inhumanity inflicted by politician's *prior* Negative cash flow choices. While *knowing full well*;

AN EVIL MAN WILL BURN HIS OWN NATION TO THE GROUND
TO RULE OVER THE ASHES

- Sun Tzu

**MANKIND'S TECHNOLOGY & FUTURE IS BRIGHT
IF WE CHOOSE WISELY**

Artho has petitioned several AI upstarts, to participate within the ongoing International Public Service Announcements. AI has the ability to quickly organize truth seeking data, with proven mathematical equations, figuring the averages & odds, for the reasoning of;

**MANKIND'S ECONOMIC PROSPERITY
INCREASING GLOBAL TRADING
& MAINTAINING WORLD PEACE**

- Jerry Artho

- AI's history of past Nations' economies, confirms time & time again. Dictator's *usual* Negative cash flow that in FACT & once again prove beyond a shadow of a doubt;

ABSOLUTE POWER CORRUPTS ABSOLUTELY

- Historian John Acton

- AI's current events & what history reflects are the *usual* political agendas of the *usual* Absolute Powerful's very own egotistical pathological liars as being economic *traitors*;

Dictator's *failures* to Subsidize to encourage infrastructure & prefer War's inhumanity. Dictator's *failures* to Tax/Fine to discourage corruption & prefer inflicting their *usual* Negative cash flow by corruption & hand outs to themselves. As unsustainable short term ill gotten gains & as that of being economic *high treason*.

Dictator's puppet Court's ECONOMIC TREASON of *failing* the Rule of Law & *failures* to collect Funding/Fines/Retribution owed to the Nation's Treasury & the victims. Under Peacetime's accountability of corruption's *like-kind* retribution as *payment-in-kind*. ECONOMIC TREASON that will collapse any Nation's economy, inflict global trading imbalances, & the *usual* saber rattling. To self justify invading neighboring Nations. To rape, murder & plunder even more stolen unsustainable short term ill gotten gains. To temporarily prop up the dictator's *usual* collapsed economy & finance the dictator's *usual* War's inhumanity.

- AI's future predictions are calculated from the most efficiently figured averages & odds. Of how to most likely figure & manage mankind's abilities to survive, with sustainable long term investments. For it's a FACT, dictators & *known*;

**LIARS NEVER FIGURE
FIGURES NEVER LIE**
