CHAPTER 3

THIRTY PIECES OF SILVER

Most dictators/bullies are the world's *usual* natural born cowards;

- Who's economic *high treason* fleeces the flock, while burning the Nation to the ground, & have no problem watching women, children, & the elderly starve to death.
- Who will prearrange sending fleeced assets, to stimulate another Nation's economy, as another Nation's preferred blood money, & who have no problem with inflicting their own Nation with *known economic traitors*.
- Who have prearranged their *usual* faked death with doubles, their *usual* transportation out of their burnt down Nation, & into hiding in the other Nation. Who ratholed the dictator's *usual* unsustainable short term ill gotten gains.

History reflects & current events confirm the *usual* dictatorship history over & over again;

- Dictators talk about leading the Taxpaying Commoners into battle, for the dictator's self justified ECONOMIC TREASON. But rarely do so, being that of a natural born coward.
- Dictators safely visit the wounded behind enemy lines, for the *usual* filmed propaganda, as public appearances *after* the Taxpaying Commoners served, fought, &/or died. For yet another dictatorship's *usual* Negative cash flow of War's inhumanity.
- Dictators who *failed* to read the writing on the wall, *failed* to resign, &/or *failed* to run to the other Nation's prearranged hideout in time. Are *later* captured in the dictator's *usual* underground bunker, the elite government Officials' underground lairs, &/or a dictator's fittingly so-called rathole.

WHAT DID YOU THINK WAS GOING TO HAPPEN?

In the *aftermath* of the Absolute Powerful & war profiteers' economic *high treason* of unsustainable short term ill gotten gains. That are in FACT, from *usual* War's inhumanity inflicted by politician's *prior* Negative cash flow choices & as their Negative cash flow by corruption & discrimination against others.

The post War's inhumanity *usual* Courts of Law procedures create, inflict, &/or allow the *usual* following;

- If the Absolute Powerful's egotistical pathological liar, has *not* been assassinated, committed suicide, &/or faked their own death with doubles. The dictator may be hung, imprisoned, exiled, deported, or is ever so slightly slapped on the wrist.
- As *usual* some witnesses, jurors, &/or judges sell out & are paid off.
- The post war Courts clear the names of the Absolute Powerful & their very own war profiteers' economic *high treason*. As self justification for their *usual* unsustainable short term ill gotten gains. For their *usual* & next so-called honorable War's inhumanity. As a violate world chooses to repeat a violate world's history over & over again.

While intentionally dishonoring, violating, & disgracing those who served, fought, &/or died for their Nation. As that of being the *usual* judicial economic *traitors, known* as the Constitution's domestic enemies, from within.

TO BE WEALTHY AND HONORED IN AN UNJUST SOCIETY IS A DISGRACE
- Confucius

A great prophet advised employed & paid Public Servants to be content with their pay;

- Even though the self-anointed obese dictators wear the finest linens, live in the best housing, & are protected from the Taxpaying Commoners, with personal bodyguards.
- Of course all funded by the Taxpaying Commoners. These dictators rarely show any regret or empathy for the multitude of women, children, & the elderly. Their inflicted War's inhumanity starved to death & the amount of human sacrificing, on both sides.
- *Nor* for those who served, fought, &/or died defending the dictator's War's inhumanity inflicted by politician's *prior* Negative cash flow choices & their Negative cash flow by corruption & discrimination against others. For saber rattling thrives on corruption & discrimination, to start the wars in the 1st place.

**ACCOUNTABILITY IS ESSENTIAL TO
MANKIND'S ECONOMIC PROSPERITY**

The Taxpaying Commoners employ & pay Public Servants to do their job. To uphold the Constitution, the Rule of Law, & as funded Public Servants to honor their very own Constitutional Oaths of Offices &/or Professions.

Funded as Taxpaying Commoners' Peacetime's accountability of corruption's like-kind retribution as *payment-in-kind*. To be collected as debts of Funding/Fines/Retribution owed to the Nation's Treasury & by Rule of Law owed to the victims thereof.
