CHAPTER 4

SELF INFLICTED NEPOTISM v. FREETHINKING

Children's nepotism;

- Our elementary school playground's pile of dirt, we *perceived* to be a hill. At recess, if anyone stood on top of the hill or in life when we *perceive* anyone to be above us. We chose to stop playing & stop minding our own business.
- For the *one on one fight* is on or we fought as alleged allies. Fighting together to remove the playground's *perceived* King of the Hill.
- If you won, you stood as the King of the Hill. Your alleged allies then turned against you & fought to remove their very own ally, from being the King of the Hill.

The bell would ring & we returned to our classrooms. Waiting for the bell to ring again for the next recess. To repeat the history of children's nepotism over & over again.

Adult's nepotism;

- As educated adults we choose to risk our sustainable long term investments. By jeopardize our very own Positive cash flow opportunities for everyone to work toward. Into nepotism's Negative cash flow by corruption & discrimination against others.
- By choosing to join organized political parties, organized religions, &/or organized cartels. For nepotism's *perception* of whom we will fight & discriminate against. As we so choose to participate in, for our unsustainable short term ill gotten gains.
- Ironically, in Old Western Movie's nepotism, everyone follows the leaders to join in on the saloon fights. Educated adults *perceive* bar fights as a spectator sport. Between 2 drunks who choose a *one on one fight*. Your fight, your problem. We choose to mind our own business, our own Positive cash flow, & continue to economically trade with both fighters. In spite of the fight's outcome.

Nation's nepotism;

To self justify Nation's War's inhumanity inflicted by politician's *prior* Negative cash flow choices;

- Of whom the Nation will rape, murder, & plunder assets from. To temporarily prop up their Nation's Negative cash flow & collapsed economy. While *knowing full well* their Nation's chosen economic policies, were *never* going to cash flow in the 1st place.
- Instead of other Nations minding their own business, governing within their Nation's means, & continuing to trade with all International trading partners. Judgmental, self-righteous, holier than thou Nations choose to form alleged alliances. For yet another Nation's *failures* & self-inflicted wars.
- These alleged alliances *knowingly* self-inflict themselves with Negative cash flow & War's inhumanity. By human sacrificing their very own Taxpaying Commoners to serve, fight, &/or die for another Nation's *failed* economy. The UN, sends in humanitarian aid, attempt to hold peace talks, to delay other Nation's self-inflicted wars. *Knowing* that economically & mathematically their War's inhumanity will happen sooner or later.

Unfortunately, for those who remain hellbent on repeating a violent World's history of barbaric human sacrificing wars, over & over again. On behalf of Nations self-righteous, arrogant, & economically ignorant dictatorships. Who are drunk on power & who's egos are hellbent on even more human sacrifices, by yet again rattling even more sabers;

TO LEAD UNINSTRUCTED PEOPLE TO WAR IS TO THROW THEM AWAY - Confucius

Fortunately, mankind's modern technology is a freethinkers game changer as;

**MANKIND'S UNCENSORED WORLD WIDE WEB SELF-EDUCATES US
BY FILMING & INSTANTLY EXPOSING War's inhumanity TO THE WORLD**

Encourages freethinking research, to pick & choose mankind's destiny, to live & let live. Subsidize to encourage infrastructure & education as a hand up, Tax/Fine to discourage corruption & hand outs to judgmental nepotism. For freethinkers to defend their very own life, liberty, & property;

- As the separation of organized political party's agendas & State.
- As the separation of organized religion's agendas & State.
- As the separation of organized cartel's agendas & State.

Everyone is entitled to their opinion, while taking care of their own business. Every man, woman, & child are in FACT, entitled to feel, believe, & think as any individual so chooses. However;

**IF EVERYONE IS FORCED TO THINK THE SAME THING
NO ONE IS THINKING**
