CHAPTER 5 Part II

**TRIED & TRUE LAW PRACTICE OF QUI TAM &/or CHAMPERTY LAW
THE ECONOMICS OF SELF DEFENSE AGAINST CORRUPTION**

Lawsuits & prosecutions drain Gov. Treasuries, Taxpaying Commoners, & the world's economies v. justice's positive cash flow against corruption's;

**QUI TAM &/or CHAMPERTY LAW'S CHECKS & BALANCES
FUNDING COUNTY, STATE, NATIONS, &/or INTERNATIONAL TREASURIES**

Court(s) allowed the positive cash flow of the tried & true law practice of QUI TAM &/or CHAMPERTY LAW.

Filed within jurisdictions known to have reputable Judges. Who Rule according to the Constitution, the Rule of Law, their Oaths of Offices, &/or their profession as an Attorney. & NOT on the whims of politicians, vogue opinions, &/or the mentality of lynch mobs;

- For prosecution's collections into that County's Treasury & up to 30% awarded to the victims. The closest funding, is the quickest funding returned to the Taxpaying Commoners, the victims, & economically stimulates that County's local economy.
- For prosecution's collections into that State's Treasury & up to 30% awarded to the victims. That State's funding will eventually return to the Taxpaying Commoners, the victims, & economically stimulates that State's economy.
- For prosecution's collections into that Nation's Treasury & up to 30% awarded to the victims. That Nation's funding could take years to eventually return to the original Taxpaying Commoners, the victims, economically stimulates that Nation's economy, & finances that Nation's import/export trade.
- For prosecution's collections into International Treasuries & up to 30% awarded to the victims. That International funding could take decades before returning to the original Taxpaying Commoners, the victims, economically stimulates International economies, & finances International import/export trade.

THE YIN & YANG OF CHECKS & BALANCES

Funding/Fines/Retribution owed for each count, each & every cause & effect counts. That in FACT, under Rule of Law are still owed to Gov. Treasuries & the victims thereof;

- **Qui Tam filed within State, National, &/or International jurisdictions. Federal Court(s) applicable filings will be confidentially sealed for 60 Days.**
- **Providing 60 Days for County Officials to enforce the Constitution, Rule of Law, & fiduciary obligations still owed to the County's Treasury & the victims thereof.**
- **Qui Tam enforces the fiduciary duties of Gov. Officials, their Constitutional Oaths of Office, &/or profession as an Attorney. While releasing all present & future liabilities.**

When negotiating with County, State, National, & International Qui Tam. The choices of Gov. officials, reputable QUI TAM law firms, &/or individual Taxpaying Commoners themselves;

- **QUI TAM &/or CHAMPERTY LAW chooses which jurisdictions are the best to file within.**
- **QUI TAM &/or CHAMPERTY LAW chooses which Gov. Treasuries are the best to fund.**
- **QUI TAM &/or CHAMPERTY LAW chooses which victim's Court(s) Exhibit. Such as the 10 Exhibits already on FiledEvidence.com & more coming soon. That were in FACT, illegally Filed & Recorded in Randall County Texas' Courthouse Land & Title records.**

Randall County Officials your jurisdiction & reputation for clear Titles is on the line. It would be financially foolish to NOT cash in on Qui Tam's CHECKS & BALANCES.

That have the highest ROI, the best positive cash flow of prosecution's collections, against each count, each & every cause & effect counts. Within your best chosen jurisdictions.
